THE UNIVERSITY OF ALBERTA STAFF BULLETIN

EDMONTON, ALBERTA

22 JULY 1976

LONG DISTANCE TELEPHONE CHARGES

With the commencement of the Centrex system on Monday, 19 July, a change in long distance telephoning procedure must be noted. The University telephone operators will ask for the departmental, research, or trust account number to which the call should be charged. Please have this information ready because, with the new system, the call cannot be completed without account numbers. The new procedure has at least two related advantages. First, toll charges will be lower because the University operators will be able to place Direct Distance Dialing calls. Second, separate long distance toll slips for each call will no longer be distributed for approval. Charges will flow directly into the departmental general ledgers and special funds reports, which will provide details pertaining to each call rather than a lump sum per month.

CEA-WHITWORTH AWARD

The 1976 recipient of the CEA-Whitworth Award in Educational Research is Steve Hunka, Director of the Educational Research Unit in the Faculty of Education. Dr. Hunka is noted for his imaginative use of computers in educational research and as learning tools. The first award was presented in 1967 and made possible through the generosity of Fred Whitworth who provided some government bonds, the interest from which is used to offer the Award in some tangible form. Dr. Hunka's Award, an objet d'art, will be presented at the Canadian Education Association Convention to be held 22 to 24 September in Halifax.

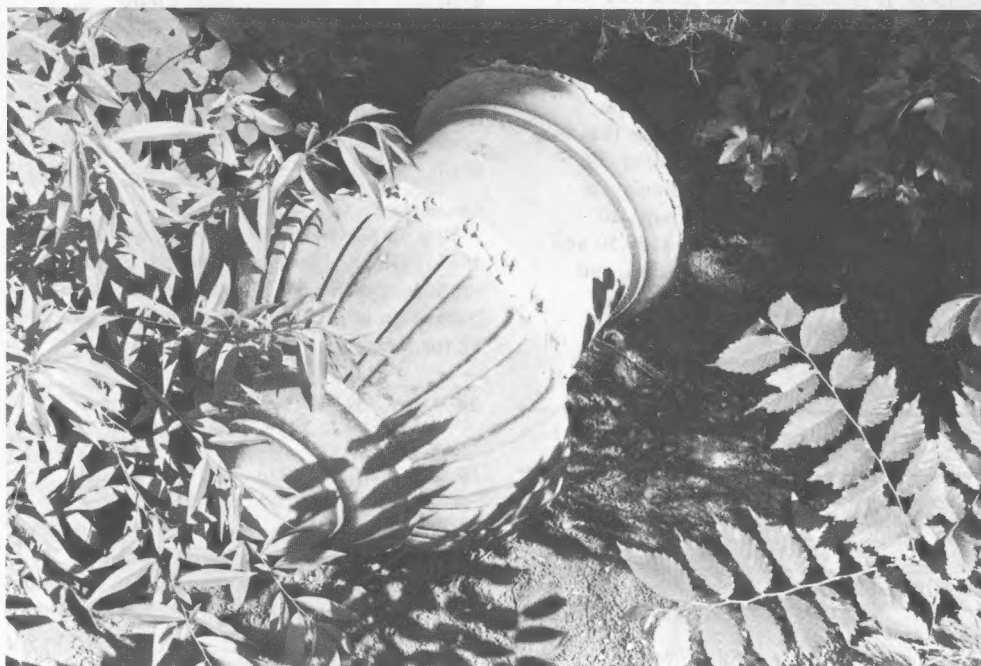

NOTICES

BOTANIC GARDEN OPEN EVENINGS

Those who wish to spend their evenings in surroundings more pleasant than asphalt and concrete are reminded that the University of Alberta Devonian Botanic Garden is open 4 p.m. to 9:30 p.m., Monday through Friday, during July and August. The garden is also open on Saturday, Sunday, and public holidays from 1 p.m. to 6 p.m. until the end of September.

Primulas and lilies are in full bloom.

VOLUME THIRTEEN, NUMBER FOUR

Richard Kerr

It's been two years since the stone urn at the north flank of the Arts Building entrance has been broken off. The urn, in fact, is still lying ignominiously in the shrubbery where it fell, and the acanthus with flame that was its coronet is gone altogether. Admittedly an acanthus with a flame coming out of it is a somewhat illogical device, and admittedly such decorative stonework is less appreciated by modern design tastes—still it deserves better treatment than this, unless, like the Romantics, we prefer our old architecture as ruins.

Volunteers are needed to cut flowers for the dried flower sale which will be held in September. Those interested should contact Mrs. Shipley at 433-2645.

GFC GROUP TO SUGGEST HANDBOOK CHANGES

At its meeting on 19 July, General Faculties Council Executive Committee established a core group of the Executive to seek academic staff suggestions regarding amendments to the Academic Staff Agreement 1976. Jean Lauber, Associate Vice-President (Academic), who will chair the committee, invites members of the staff who have suggestions for amendments or who would like to help in the work of the ad hoc core group to communicate with her at 3-17 University Hall, 432-5682.

SUNDAY LIBRARY USE

The Education Library at the East End of the Education Building is the only library on campus open on Sundays during Summer

Session. It will be open from 1 p.m. to 10 p.m. Sundays. This service will be reviewed in several weeks and will only be continued if it is being well used. The Education Library has materials and study space for students of all disciplines.

KLONDIKE BREAKFAST

On Friday, 30 July, from 7 a.m. to 10 a.m., the Non-Academic Staff Association is holding a Klondike Breakfast in the Central Academic Building cafeteria. Entertainment, featuring Klondike Kate at 9 a.m., a Dixieland band, and the Carol Lee Dancers, will take place outside; if it rains, the entertainment will be held in the cafeteria. The wearing of Klondike dress will be encouraged.

Department heads have been asked to give employees time off to attend the breakfast, but this is not mandatory. The charge for the breakfast is \$1.50 and everyone, including

academic staff, is invited to attend.

SOLAR ENERGY SOCIETY ANNUAL MEETING

A combined annual meeting of the Canadian and US branches of the International Solar Energy Society, held in Winnipeg, 15 to 20 August, is open to members and non-members. It features between three and four hundred papers, and exhibits of books and solar hardware. It will be an outstanding gathering of experts and laity.

The Northern Alberta Chapter of the Canadian branch has chartered a bus that will leave Corbett Hall at 7 p.m. Saturday, 14 August and arrive in Winnipeg Sunday at 11 p.m. Return trip starts at 11 p.m., 20 August. The charter ticket costs \$150.50 and includes registration, accommodation, and breakfast. For information or bookings telephone 432-5068 or 432-3116.

THIS WEEK AND NEXT
